# **DIRECTIONS ON HOW TO USE THE E-Z KATCH RING KIT:**

## **TO PREPARE BAG:**

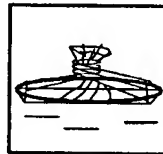

Step 1. Before the walk, insert the ring with clip attached into the plastic bag.

Step 2. Push ring down flat on the bottom of the bag. Make sure the seam is across the center of the ring.

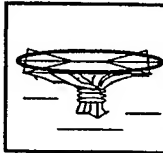

Step 3. Gather sides of bag, then twist the sides of the bag together and pull the bag tight across the bottom.

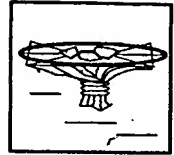

**You are now ready to walk your dog with the ring bag.**

Step 4. When your dog crouches to excrete, gently place the ring bag on the ground under the dog with the flat surface up.

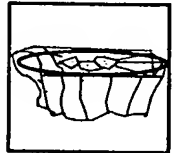

## **TO RETRIEVE WASTE:**

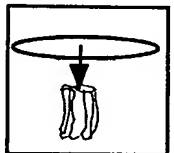

Step 5. When dog is finished, pick up ring and bag containing waste. Hold the ring with one hand and reach under to untwist the bag.

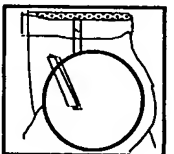

Step 6. Open one side of the bag and peel back the bag about three quarters of the way around the ring.

Step 7. Grasp the ring with the other hand and let the inverted bag and contents drop through center of the ring onto the ground.

Step 8. Pick up bag and twist top of bag closed. Hook ring and clip on belt or pocket, or prepare another bag.

**IMPORTANT:** Always deposit collected waste bags in a suitable trash container for disposal.

## **HELPFUL HINTS FOR USING THE E-Z KATCH RING KIT:**

\* To carry the ring bag, hold the plastic folds in the palm of the hand and the thumb around the ring.

\* When walking your dog, **observe the dog's routine** to help determine when to be ready with the ring bag, as needed.

\* Gently place the ring bag behind the dog. **DO NOT DROP or THROW the ring bag down.**

\* Avoid touching the dog with the ring bag. This could distract or disturb the dog. Also, step away from the dog while it defecates.

\* If dog starts before you are ready, just push the dropping aside with the ring bag and place the ring bag in position.

When dog is finished, scoop up the first dropping with the ring bag and continue with the waste retrieval.

\* To prevent loss of ring or clip, do not detach the clip from the ring and when not in use,

\* E-Z KATCH Ring Kit Bags are available at most pet supply stores. Always carry extra bags for backup.
